GENERAL NOTES (T&C)

The above mentioned unit rates are subject to the following conditions.

1. The unit rate for any of the above items are considered as per standard of MRg material as per base rate .Any variation in the raw or design or finishing material rates.
2. Marine ply used in kitchen & toilet only. rest of all furnitures are to be made from BWR ply
3. Every room door & toilet doors has been considered with a pair of mortise hand set. Any variation in the hardware cost shall be settled as per actual purchase
4. Every room Storages has been considered with a handle upto Rs. 200/- piece. Any cost shall be settled as per actual purchase cost.

GENERAL NOTES

1. The above unit rates are valid for 60 days from the date of the Bill of Quantities (BOQ). These rates are subject to changes based on inflation in material or labor costs.
2. The quantities mentioned in the BOQ are for estimation purposes only. The BOQ is subject to deviation during execution due to changes in design and site conditions.
3. The electrical costs mentioned are approximate and will be charged based on actual costs incurred during execution.
4. BMC and society permissions required for the job will be obtained by the owner. The contractor will not be responsible for obtaining these permissions.
5. Final billing will be based on actual quantities executed, and a measurement sheet will be provided, checked, and certified by both parties involved.
6. The submitted rates are unit rates, and it is assumed that these rates are agreed upon by the contractor. The amount for each item of work is calculated as per the agreed quantities and rates. These rates will apply for settling bills for any additional work executed.

NESTURA DESIGNS *(formerly SA INTERIOR SCAPES)*

MATERIAL SPECIFICATIONS AND PAYMENTS T&C

7	The contractor will submit an estimate for any unforeseen costs incurred during the project. Such costs will be executed only after receiving written approval from the client. Additional work will be billed based on market rates and execution details.
8	Water and electricity will be provided free of charge by the client.
9	Plywood material uplifting will be charged as per actuals, based on the number of floors.
10	Electrical fittings, such as hanging and decorative lights, fans, TV cables, Wi-Fi routers, CCTV, etc., are not included in the quotation.
11	Electronics, such as air conditioners, chimneys, fridges, TVs, etc., must be provided by the client.
12	There will be no refund on the initial payment if the client cancels the deal.
13	Please be advised that, while we implement floor protection measures (such as floor guards) during the course of the project, any incidental damage to marble, tiling, or other flooring surfaces will not be the responsibility or liability of IAD. Although we take every precaution to safeguard the flooring, the inherent risks of renovation and construction activities mean that some damage may still occur despite these protective measures.

THANK YOU!
